AUCTION FACT SHEET

THE HIGHLANDS SCHOOL

The Highlands School was founded in 1986. In this short time, The Highlands School has grown from six students meeting in a founder's home to a fully accredited school of more than 450 students. The school now enjoys a beautifully-wooded, 35-acre campus that includes four Classroom Buildings, Chapel, Library, full-service Cafeteria, Assembly Hall, Lower and Middle/High School Computer Labs, Chemistry and Physical Science Labs, Art Studio, Black Box Theatre, Music Facility, Gymnasium, Workout/Weight Room, Football/Soccer Fields, Outdoor Sport Court, Baseball/Softball Diamond, Courtyard, Picnic Areas, Main Playground, Pre-K Playground, and Pre-K Discovery Center, in addition to Administrative Offices. The Highlands School was honored again this year by being named one of the Top 50 Catholic High Schools in the United States. Students in Grades 4th-12th represent our school in numerous state-level academic and athletic competitions. These 22 years of miraculous growth have provided deep, strong roots upon which the future of our children and the future of The Highlands School can grow.

BENEFITS OF DONATING TO AND ADVERTISING WITH THE AUCTION GALA

Every donor receives recognition in the Donor Listing portion of the Auction Gala Program. Names of donors will also be listed on the Auction Web site. Additionally, advertisers are able to promote their businesses via the Program at a nominal cost and reach hundreds of prospective customers. Over 500 people attend the auction, and each attendee receives a program. The Dallas-Fort Worth business community continues to be very generous to The Highlands School. In return, we highly encourage our school community to patronize our donors.
