Grade Two Times

TKC!

Dear Parents,

Once again, we have to thank you, our beloved parents for all of the help you provided our students with their Living Museum Projects. Once again this project was a huge success and the skills and memories gained from the work will last for years to come. We are indebted to all of you for your time and efforts in the preparation to make this one of the best museums to date!

Now we make preparations for Public Classes. We hope to see many of you on Wednesday!

Have a beautiful week! Pray for us and we will pray for you! Semper Altius!

God bless you,

Mrs. Bridgeman and Mrs. Lamers

This Week in 2nd Grade

Language Arts: Students will begin an extensive review of the grammar objectives that we have covered this year. This week we will cover nouns, plural nouns, verbs, linking verbs, and helping verbs.

Math: Students will continue our practice of multiplication facts with Math Karate! Continue to study multiplication facts and perfect squares from 1 – 12.

Religion: Students will understand the importance of prayer in the lives of Christians, both at Mass with the community of the baptized and when he is alone. It is important for the children to understand they can help others through prayer.

History: We will complete our study of the War of 1812 and review the objectives covered. We will have a test on this unit if time permits.

Science: We will begin our unit on Forces of Motion.

K4J Virtue of the Month: Patience

Spelling Words:

*We have finished all of the words in our units. We will spend this week reviewing some of our strategies as well as our Champion Challenge words!

“As a man must be born before he can begin to lead his physical life, so he must be born to lead a Divine Life. That birth occurs in the Sacrament of Baptism. To survive, he must be nourished by Divine Life; that is done in the Sacrament of the Holy Eucharist.”

~ Archbishop Fulton J. Sheen ~
