About Brendan Behan: August 28, 2005 – September 5, 2015

Brendan was in Mrs. Krause's 3rd grade class. His brother Collin is an alum and his sister Jocelyn is currently attending The Highlands School. Brendan was a great practical joker, very proud of being Irish and an expert at photo bombing. Brendan had the most tender heart, willingly giving his toys to those who had none. Brendan could eat his weight in spaghetti and loved his dog, Tucker. We miss your laughter, fun, gentleness, and big dimpled smile.
